ABOUT ME

Varsity distance runner and residential student at Alabama School of Cyber Technology and Engineering (ASCTE), a Class 3A STEM-focused school in Huntsville, AL where all courses are Honors/AP level. I compete at the section and state level in distance events — notably in only my third year of competitive running, with consistent 7-10% improvements season over season. I bring a growth mindset, a strong work ethic, and a passion for the analytical side of training.

ATHLETE OF THE MEET AWARD

2nd ever recipient of the ASCTE Athlete of the Meet award

"Constantly putting in extra work — not only PRing but studying how to get better. When he's not competing, he's on the track engaged with every race."

— Coach Erin Smith
